| DESCRIPTION                      | FLAT T-BEAM PNP DARK-ON ROBOTIC                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                        |
| DATA SHEET                       |  E3T-FT14R.pdf |
| VOLTAGE - SUPPLY                 | 12 V ~ 24 V                                                                                       |
| SERIES                           | E3T                                                                                               |
| SENSING METHOD                   | Through-Beam                                                                                      |
| SENSING DISTANCE                 | 19.685" (500mm)                                                                                   |
| RESPONSE TIME                    | 1ms                                                                                               |
| OUTPUT CONFIGURATION             | PNP - Open Collector/Dark-ON                                                                      |
| OTHER NAMES                      | E3TFT14R                                                                                          |
| OPERATING TEMPERATURE            | -25°C ~ 55°C                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                     |
| LIGHT SOURCE                     | Red (650nm)                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                        |
| INGRESS PROTECTION               | IEC IP67                                                                                          |
| CONNECTION METHOD                | Cable                                                                                             |
| ADJUSTMENT TYPE                  | -                                                                                                 |
