| DESCRIPTION                      | IC EEPROM 1MBIT 150NS 44CLCC                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                        |
| DATA SHEET                       |  <a href="#">AT28C010-15LM/883.pdf</a> |
| WRITE CYCLE TIME - WORD, PAGE    | 10ms                                                                                                                      |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                                             |
| TECHNOLOGY                       | EEPROM                                                                                                                    |
| SUPPLIER DEVICE PACKAGE          | 44-CLCC (16.54x16.54)                                                                                                     |
| SERIES                           | -                                                                                                                         |
| PACKAGING                        | Tube                                                                                                                      |
| PACKAGE / CASE                   | 44-CLCC                                                                                                                   |
| OTHER NAMES                      | AT28C01015LM883                                                                                                           |
| OPERATING TEMPERATURE            | -55°C ~ 125°C (TC)                                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                             |
| MEMORY TYPE                      | Non-Volatile                                                                                                              |
| MEMORY SIZE                      | 1Mb (128K x 8)                                                                                                            |
| MEMORY INTERFACE                 | Parallel                                                                                                                  |
| MEMORY FORMAT                    | EEPROM                                                                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                        |
| DETAILED DESCRIPTION             | EEPROM Memory IC 1Mb (128K x 8) Parallel 150ns 44-CLCC (16.54x16.54)                                                      |
| BASE PART NUMBER                 | AT28C010                                                                                                                  |
| ACCESS TIME                      | 150ns                                                                                                                     |
