LRI2K-A1S/1GE

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | LRI2K-A1S/1GE                                                                                                |
| Manufacturer/Brand: | STMicroelectronics                                                                                           |
| Product description | IC MEMORY TAG 64BIT UID ADH ANT                                                                              |
| Datasheets:         |  LRI2K-A1S/1GE.pdf          |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of LRI2K-A1S/1GE

|                                  |                                                                                                       |
|----------------------------------|-------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | LRI2K-A1S/1GE                                                                                         |
| MANUFACTURER                     | STMicroelectronics                                                                                    |
| DESCRIPTION                      | IC MEMORY TAG 64BIT UID ADH ANT                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| DATA SHEET                       |  LRI2K-A1S/1GE.pdf |
| WRITABLE MEMORY                  | 2kb (User)                                                                                            |
| TECHNOLOGY                       | Passive                                                                                               |
| STYLE                            | Inlay                                                                                                 |
| STANDARDS                        | ISO 15693, ISO 18000-3                                                                                |
| SIZE / DIMENSION                 | 76.00mm x 45.00mm                                                                                     |
| SERIES                           | LRI2K                                                                                                 |
| OTHER NAMES                      | 497-5533-6                                                                                            |
| OPERATING TEMPERATURE            | -20°C ~ 85°C                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                         |
| MEMORY TYPE                      | Read/Write                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| FREQUENCY                        | 13.56MHz                                                                                              |
| DETAILED DESCRIPTION             | RFID Tag Read/Write 2kb (User) Memory 13.56MHz ISO 15693, ISO 18000-3 Inlay                           |
