

Honeywell Microelectronics & Precision Sensors

PPT2-0002GKF5VS

Part Number: PPT2-0002GKF5VS

Manufacturer/Brand: Honeywell Microelectronics & Precision Sensors

Product description: PRESSURE TRANSDUCER

1.PPT2-0002GKF5VS.pdf

2.PPT2-0002GKF5VS.pdf

3.PPT2-0002GKF5VS.pdf

Datasheets:

RoHS Status:  Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

| VOLTAGE - SUPPLY                 | 6 V ~ 34 V                                                                                                              |
| TERMINATION STYLE                | Connector                                                                                                               |
| SUPPLIER DEVICE PACKAGE          | -                                                                                                                       |
| SERIES                           | PPT2                                                                                                                    |
| PRESSURE TYPE                    | Vented Gauge                                                                                                            |
| PORT STYLE                       | Filtered, Threaded                                                                                                      |
| PORT SIZE                        | Male - 1/8" (3.18mm) Swagelok™, Filter                                                                                  |
| PACKAGE / CASE                   | Module Cube                                                                                                             |
| OUTPUT TYPE                      | Analog, RS-485                                                                                                          |
| OUTPUT                           | 0 V ~ 5 V                                                                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                            |
| OPERATING PRESSURE               | 2 PSI (13.79 kPa)                                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                           |
| MAXIMUM PRESSURE                 | 6 PSI (41.37 kPa)                                                                                                       |
| MANUFACTURER STANDARD LEAD TIME  | 10 Weeks                                                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                              |
| FEATURES                         | -                                                                                                                       |
| DETAILED DESCRIPTION             | Pressure Sensor 2 PSI (13.79 kPa) Vented Gauge Male - 1/8" (3.18mm) Swagelok™, Filter 0 V ~ 5 V Module Cube             |
| ACCURACY                         | ±0.0375%                                                                                                                |
