|----------------------------------|--------------------------------------------------------------------------|
| PART NUMBER                      | AD7376ARUZ100                                                            |
| MANUFACTURER                     | ADI (Analog Devices, Inc.)                                               |
| DESCRIPTION                      | IC POT DIGITAL 128POS 14-TSSOP                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                               |
| DATA SHEET                       | <a href="#">PDF AD7376ARUZ100.pdf</a>                                    |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 33 V, ±4.5 V ~ 16.5 V                                            |
| TOLERANCE                        | ±30%                                                                     |
| TEMPERATURE COEFFICIENT (TYP)    | -300 ppm/°C                                                              |
| TAPER                            | Linear                                                                   |
| SUPPLIER DEVICE PACKAGE          | 14-TSSOP                                                                 |
| SERIES                           | iCMOS®                                                                   |
| RESISTANCE - WIPER (OHMS) (TYP)  | 260                                                                      |
| RESISTANCE (OHMS)                | 100k                                                                     |
| PACKAGING                        | Tube                                                                     |
| PACKAGE / CASE                   | 14-TSSOP (0.173", 4.40mm Width)                                          |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                             |
| NUMBER OF TAPS                   | 128                                                                      |
| NUMBER OF CIRCUITS               | 1                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                            |
| MEMORY TYPE                      | Volatile                                                                 |
| MANUFACTURER STANDARD LEAD TIME  | 7 Weeks                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                               |
| INTERFACE                        | SPI                                                                      |
| FEATURES                         | Cascade Pin                                                              |
| DETAILED DESCRIPTION             | Digital Potentiometer 100k Ohm 1 Circuit 128 Taps SPI Interface 14-TSSOP |
| CONFIGURATION                    | Potentiometer                                                            |
