Specifications of NB100LVEP17DT

|                                  |                                                                                                       |
|----------------------------------|-------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | NB100LVEP17DT                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                  |
| DESCRIPTION                      | IC DRV/RCV ECL QUAD DIFF 20TSSOP                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                    |
| DATA SHEET                       |  NB100LVEP17DT.pdf |
| SUPPLY VOLTAGE                   | 2.375 V ~ 3.8 V                                                                                       |
| SUPPLIER DEVICE PACKAGE          | 20-TSSOP                                                                                              |
| SERIES                           | 100LVEP                                                                                               |
| PACKAGING                        | Tube                                                                                                  |
| PACKAGE / CASE                   | 20-TSSOP (0.173", 4.40mm Width)                                                                       |
| OTHER NAMES                      | NB100LVEP17DTOS                                                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                          |
| NUMBER OF BITS                   | 4                                                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                         |
| LOGIC TYPE                       | Differential Receiver/Driver                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                    |
| DETAILED DESCRIPTION             | Differential Receiver/Driver IC 20-TSSOP                                                              |
| BASE PART NUMBER                 | 100LVEP17                                                                                             |
