| VOLTAGE - SUPPLY                 | 2.7 V ~ 4.8 V                                                            |
| TYPE                             | Transceiver                                                              |
| SUPPLIER DEVICE PACKAGE          | 28-SSOP                                                                  |
| SERIES                           | -                                                                        |
| PROTOCOL                         | -                                                                        |
| PACKAGING                        | Tape & Reel (TR)                                                         |
| PACKAGE / CASE                   | 28-SSOP (0.209", 5.30mm Width)                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                             |
| NUMBER OF DRIVERS/RECEIVERS      | -                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                               |
| DUPLEX                           | -                                                                        |
| DETAILED DESCRIPTION             | Transceiver 28-SSOP                                                      |
| DATA RATE                        | -                                                                        |
