

CHP-080TB

|                     |                                |
|---------------------|--------------------------------|
| Part Number:        | CHP-080TB                      |
| Manufacturer/Brand: | Copal Electronics              |
| Product description | SWITCH PIANO DIP SPST 100MA 6V |
| Datasheets:         | CHP-080TB.pdf                  |
| RoHs Status         | Lead free / RoHS Compliant     |
| Ship From           | Hong Kong                      |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS          |

REQUEST FOR QUOTATION

Specifications of CHP-080TB

| MANUFACTURER                     | Copal Electronics                                                               |
| DESCRIPTION                      | SWITCH PIANO DIP SPST 100MA 6V                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                      |
| DATA SHEET                       | CHP-080TB.pdf                                                                   |
| WASHABLE                         | No                                                                              |
| VOLTAGE RATING                   | 6VDC                                                                            |
| TERMINATION STYLE                | Gull Wing                                                                       |
| SERIES                           | CHP                                                                             |
| PITCH                            | 0.050" (1.27mm), Half                                                           |
| PACKAGING                        | Tape & Reel (TR)                                                                |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                    |
| NUMBER OF POSITIONS              | 8                                                                               |
| MOUNTING TYPE                    | Surface Mount, Right Angle                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                   |
| MECHANICAL LIFE                  | -                                                                               |
| MANUFACTURER STANDARD LEAD TIME  | 11 Weeks                                                                        |
| LENGTH                           | 0.480" (12.19mm)                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                      |
| HEIGHT ABOVE BOARD               | 0.181" (4.60mm)                                                                 |
| FEATURES                         | -                                                                               |
| ELECTRICAL LIFE                  | 1,000 Cycles                                                                    |
| DETAILED DESCRIPTION             | Dip Switch SPST 8 Position Surface Mount, Right Angle Piano Actuator 100mA 6VDC |
| CURRENT RATING                   | 100mA                                                                           |
| CONTACT MATERIAL                 | Copper Alloy                                                                    |
| CONTACT FINISH                   | Gold                                                                            |
| CIRCUIT                          | SPST                                                                            |
| BODY MATERIAL                    | Polyphenylene Sulfide (PPS)                                                     |
| ACTUATOR TYPE                    | Piano                                                                           |
| ACTUATOR LEVEL                   | Raised                                                                          |
