SFS6-L-DC48V-D

|                     |                                    |
|---------------------|------------------------------------|
| Part Number:        | SFS6-L-DC48V-D                     |
| Manufacturer/Brand: | Panasonic                          |
| Product description | RELAY SAFETY 6PST 6A 48V           |
| Datasheets:         | <a href="#">SFS6-L-DC48V-D.pdf</a> |
| RoHs Status         | Lead free / RoHS Compliant         |
| Ship From           | Hong Kong                          |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS              |

| MANUFACTURER                     | Panasonic                                                              |
| DESCRIPTION                      | RELAY SAFETY 6PST 6A 48V                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                             |
| DATA SHEET                       | <a href="#">SFS6-L-DC48V-D.pdf</a>                                     |
| TURN ON VOLTAGE (MAX)            | 36 VDC                                                                 |
| TURN OFF VOLTAGE (MIN)           | 4.8 VDC                                                                |
| TERMINATION STYLE                | PC Pin                                                                 |
| SWITCHING VOLTAGE                | 250VAC, 30VDC - Max                                                    |
| SERIES                           | SFS                                                                    |
| RELEASE TIME                     | 20ms                                                                   |
| RELAY TYPE                       | Safety                                                                 |
| PACKAGING                        | Bulk                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                           |
| OPERATE TIME                     | 20ms                                                                   |
| MOUNTING TYPE                    | Through Hole                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                          |
| MANUFACTURER STANDARD LEAD TIME  | 8 Weeks                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                             |
| FEATURES                         | Diode, LED Indicator                                                   |
| DETAILED DESCRIPTION             | Safety Relay 6PST-3NO/3NC (3 Form A, 3 Form B) 48VDC Coil Through Hole |
| CONTACT RATING (CURRENT)         | 6A                                                                     |
| CONTACT MATERIAL                 | Silver Tin Oxide (AgSnO)                                               |
| CONTACT FORM                     | 6PST-3NO/3NC (3 Form A, 3 Form B)                                      |
| COIL VOLTAGE                     | 48VDC                                                                  |
| COIL TYPE                        | Non Latching                                                           |
| COIL RESISTANCE                  | 4.6 kOhms                                                              |
| COIL POWER                       | 500 mW                                                                 |
| COIL CURRENT                     | 10.4mA                                                                 |
