| VOLTAGE - SUPPLY (VCC/VDD)       | 4.75 V ~ 28 V                                                              |
| TOPOLOGY                         | Buck                                                                       |
| SYNCHRONOUS RECTIFIER            | Yes                                                                        |
| SUPPLIER DEVICE PACKAGE          | 28-TQFN (5x5)                                                              |
| SERIES                           | -                                                                          |
| SERIAL INTERFACES                | -                                                                          |
| PACKAGING                        | Tube                                                                       |
| PACKAGE / CASE                   | 28-WFQFN Exposed Pad                                                       |
| OUTPUT TYPE                      | Transistor Driver                                                          |
| OUTPUT PHASES                    | 1                                                                          |
| OUTPUT CONFIGURATION             | Positive                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                          |
| NUMBER OF OUTPUTS                | 1                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                 |
| FUNCTION                         | Step-Down                                                                  |
| FREQUENCY - SWITCHING            | 125kHz ~ 1.5MHz                                                            |
| DUTY CYCLE (MAX)                 | -                                                                          |
| DETAILED DESCRIPTION             | Buck Regulator Positive Output Step-Down DC-DC Controller IC 28-TQFN (5x5) |
| CONTROL FEATURES                 | Current Limit, Enable, Frequency Control, Power Good                       |
| CLOCK SYNC                       | Yes                                                                        |
| BASE PART NUMBER                 | MAX5060                                                                    |
