DSPIC33EP128MU502T-I/MM

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | DSPIC33EP128MU502T-I/MM                                                                                      |
| Manufacturer/Brand: | Micrel / Microchip Technology                                                                                |
| Product description | IC DSC 16BIT 128KB FLASH                                                                                     |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of DSPIC33EP128MU502T-I/MM

|                                  |                               |
|----------------------------------|-------------------------------|
| PART NUMBER                      | DSPIC33EP128MU502T-I/MM       |
| MANUFACTURER                     | Micrel / Microchip Technology |
| DESCRIPTION                      | IC DSC 16BIT 128KB FLASH      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant    |
| DATA SHEET                       |                               |
| VOLTAGE - SUPPLY (VCC/VDD)       | -                             |
| SUPPLIER DEVICE PACKAGE          | -                             |
| SPEED                            | -                             |
| SERIES                           | -                             |
| RAM SIZE                         | -                             |
| PROGRAM MEMORY TYPE              | -                             |
| PROGRAM MEMORY SIZE              | -                             |
| PERIPHERALS                      | -                             |
| PACKAGING                        | Tape & Reel (TR)              |
| PACKAGE / CASE                   | -                             |
| OSCILLATOR TYPE                  | -                             |
| OPERATING TEMPERATURE            | -                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant    |
| EEPROM SIZE                      | -                             |
| DETAILED DESCRIPTION             | - Microcontroller IC          |
| DATA CONVERTERS                  | -                             |
| CORE SIZE                        | -                             |
| CORE PROCESSOR                   | -                             |
| CONNECTIVITY                     | -                             |
| BASE PART NUMBER                 | DSPIC33EP128MU502             |
