

EL5108IWZ-T7A

Part Number:

EL5108IWZ-T7A

Manufacturer/Brand:

Intersil

Product description

IC OPAMP GP 450MHZ SOT23-6

Datasheets:

 EL5108IWZ-T7A.pdf

RoHs Status

 Lead free / RoHS Compliant

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

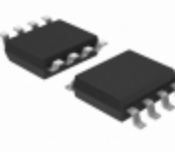

Specifications of EL5108IWZ-T7A

|                                   |                                                                                                       |
|-----------------------------------|-------------------------------------------------------------------------------------------------------|
| PART NUMBER                       | EL5108IWZ-T7A                                                                                         |
| MANUFACTURER                      | Intersil                                                                                              |
| DESCRIPTION                       | IC OPAMP GP 450MHZ SOT23-6                                                                            |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                            |
| DATA SHEET                        |  EL5108IWZ-T7A.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 5 V ~ 12 V, ±2.5 V ~ 6 V                                                                              |
| VOLTAGE - INPUT OFFSET            | 3mV                                                                                                   |
| SUPPLIER DEVICE PACKAGE           | SOT-23-6                                                                                              |
| SLEW RATE                         | 4500 V/μs                                                                                             |
| SERIES                            | -                                                                                                     |
| PACKAGING                         | Cut Tape (CT)                                                                                         |
| PACKAGE / CASE                    | SOT-23-6                                                                                              |
| OUTPUT TYPE                       | -                                                                                                     |
| OTHER NAMES                       | EL5108IWZ-T7ACT                                                                                       |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                          |
| NUMBER OF CIRCUITS                | 1                                                                                                     |
| MOUNTING TYPE                     | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 2 (1 Year)                                                                                            |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                            |
| DETAILED DESCRIPTION              | General Purpose Amplifier 1 Circuit SOT-23-6                                                          |
| CURRENT - SUPPLY                  | 3.7mA                                                                                                 |
| CURRENT - OUTPUT / CHANNEL        | 135mA                                                                                                 |
| CURRENT - INPUT BIAS              | 2μA                                                                                                   |
| BASE PART NUMBER                  | EL5108                                                                                                |
| AMPLIFIER TYPE                    | General Purpose                                                                                       |
| -3DB BANDWIDTH                    | 450MHz                                                                                                |
