TDA7729

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | TDA7729                                                                                                      |
| Manufacturer/Brand: | STMicroelectronics                                                                                           |
| Product description | MID INFOTAINMENT                                                                                             |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of TDA7729

|                                  |                                                 |
|----------------------------------|-------------------------------------------------|
| PART NUMBER                      | TDA7729                                         |
| MANUFACTURER                     | STMicroelectronics                              |
| DESCRIPTION                      | MID INFOTAINMENT                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                      |
| DATA SHEET                       |                                                 |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 13 V                                    |
| SUPPLIER DEVICE PACKAGE          | 28-TSSOP                                        |
| SPECIFICATIONS                   | -                                               |
| SERIES                           | -                                               |
| PACKAGE / CASE                   | 28-TSSOP (0.173", 4.40mm Width)                 |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                               |
| NUMBER OF CHANNELS               | 6                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                   |
| MANUFACTURER STANDARD LEAD TIME  | 13 Weeks                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                      |
| INTERFACE                        | I <sup>2</sup> C                                |
| FUNCTION                         | Audio Signal Processor                          |
| DETAILED DESCRIPTION             | Audio Audio Signal Processor 6 Channel 28-TSSOP |
| APPLICATIONS                     | Automotive Audio                                |
