| DESCRIPTION                      | OPTOISO 3.75KV 2CH TRANS 8-SOP                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                     |
| DATA SHEET                       |  ELD213.pdf |
| VOLTAGE - OUTPUT (MAX)           | 80V                                                                                            |
| VOLTAGE - ISOLATION              | 3750Vrms                                                                                       |
| VOLTAGE - FORWARD (VF) (TYP)     | 1.2V                                                                                           |
| VCE SATURATION (MAX)             | 400mV                                                                                          |
| TURN ON / TURN OFF TIME (TYP)    | 5µs, 4µs                                                                                       |
| SUPPLIER DEVICE PACKAGE          | 8-SOP                                                                                          |
| SERIES                           | -                                                                                              |
| RISE / FALL TIME (TYP)           | 1.6µs, 2.2µs                                                                                   |
| PACKAGING                        | Tube                                                                                           |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                  |
| OUTPUT TYPE                      | Transistor                                                                                     |
| OPERATING TEMPERATURE            | -55°C ~ 110°C                                                                                  |
| NUMBER OF CHANNELS               | 2                                                                                              |
| MOUNTING TYPE                    | Surface Mount                                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                  |
| MANUFACTURER STANDARD LEAD TIME  | 20 Weeks                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                     |
| INPUT TYPE                       | DC                                                                                             |
| DETAILED DESCRIPTION             | Optoisolator Transistor Output 3750Vrms 2 Channel 8-SOP                                        |
| CURRENT TRANSFER RATIO (MIN)     | 100% @ 10mA                                                                                    |
| CURRENT TRANSFER RATIO (MAX)     | -                                                                                              |
| CURRENT - OUTPUT / CHANNEL       | -                                                                                              |
| CURRENT - DC FORWARD (IF) (MAX)  | 60mA                                                                                           |
