| DESCRIPTION                      | IC VOLT DETECTOR 5.2V SNT-4A                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                 |
| DATA SHEET                       |  <a href="#">S-80152ALPF-JBDTFG.pdf</a> |
| VOLTAGE - THRESHOLD              | 5.2V                                                                                                                       |
| TYPE                             | Voltage Detector                                                                                                           |
| SUPPLIER DEVICE PACKAGE          | SNT-4A                                                                                                                     |
| SERIES                           | S-801                                                                                                                      |
| RESET TIMEOUT                    | 32.5 ms Minimum                                                                                                            |
| RESET                            | Active Low                                                                                                                 |
| PACKAGING                        | Tape & Reel (TR)                                                                                                           |
| PACKAGE / CASE                   | 4-SMD, Flat Leads                                                                                                          |
| OUTPUT                           | Push-Pull, Totem Pole                                                                                                      |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                          |
| NUMBER OF VOLTAGES MONITORED     | 1                                                                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                 |
| DETAILED DESCRIPTION             | Supervisor Push-Pull, Totem Pole 1 Channel SNT-4A                                                                          |
