| DESCRIPTION                      | SENSOR DIGITAL -40C-120C 8SOIC                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| DATA SHEET                       |  ADT7461ARZ-REEL.pdf |
| VOLTAGE - SUPPLY                 | 3 V ~ 5.5 V                                                                                             |
| TEST CONDITION                   | -40°C ~ 100°C                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                                                  |
| SERIES                           | -                                                                                                       |
| SENSOR TYPE                      | Digital, Local/Remote                                                                                   |
| SENSING TEMPERATURE - REMOTE     | -55°C ~ 150°C                                                                                           |
| SENSING TEMPERATURE - LOCAL      | -40°C ~ 120°C                                                                                           |
| RESOLUTION                       | 8 b                                                                                                     |
| PACKAGING                        | Tape & Reel (TR)                                                                                        |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                           |
| OUTPUT TYPE                      | SMBus                                                                                                   |
| OTHER NAMES                      | ADT7461ARZ-REEL-ND<br>ADT7461ARZ-REELOS<br>ADT7461ARZ-REELOS-ND<br>ADT7461ARZ-REELOSTR                  |
| OPERATING TEMPERATURE            | -40°C ~ 120°C                                                                                           |
| MOUNTING TYPE                    | Surface Mount                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| FEATURES                         | One-Shot, Output Switch, Programmable Limit, Standby Mode                                               |
| DETAILED DESCRIPTION             | Temperature Sensor Digital, Local/Remote -40°C ~ 120°C 8 b 8-SOIC                                       |
| ACCURACY - HIGHEST (LOWEST)      | ±3°C                                                                                                    |
