|----------------------------------|---------------------------------------------------------------------|
| PART NUMBER                      | PADC3444IRTQT                                                       |
| MANUFACTURER                     | N/A                                                                 |
| DESCRIPTION                      | IC ADC 14BIT 125MSPS 56QFN                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                          |
| DATA SHEET                       |                                                                     |
| VOLTAGE - SUPPLY, DIGITAL        | 1.7 V ~ 1.9 V                                                       |
| VOLTAGE - SUPPLY, ANALOG         | 1.7 V ~ 1.9 V                                                       |
| SUPPLIER DEVICE PACKAGE          | 56-QFN (8x8)                                                        |
| SERIES                           | -                                                                   |
| SAMPLING RATE (PER SECOND)       | 125M                                                                |
| REFERENCE TYPE                   | External, Internal                                                  |
| RATIO - S/H:ADC                  | -                                                                   |
| PACKAGING                        | Tape & Reel (TR)                                                    |
| PACKAGE / CASE                   | 56-VFQFN Exposed Pad                                                |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                        |
| NUMBER OF INPUTS                 | 2                                                                   |
| NUMBER OF BITS                   | 14                                                                  |
| NUMBER OF A/D CONVERTERS         | 2                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                          |
| INPUT TYPE                       | Differential                                                        |
| FEATURES                         | -                                                                   |
| DETAILED DESCRIPTION             | 14 Bit Analog to Digital Converter 2 Input 2 Pipelined 56-QFN (8x8) |
| DATA INTERFACE                   | LVDS - Serial                                                       |
| CONFIGURATION                    | ADC                                                                 |
| ARCHITECTURE                     | Pipelined                                                           |
