LM2901N/SL65262

|                     |                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------|
| Part Number:        | LM2901N/SL65262                                                                                                      |
| Manufacturer/Brand: | N/A                                                                                                                  |
| Product description | IC COMPARATOR QUAD DIFF 14-DIP                                                                                       |
| Datasheets:         |                                                                                                                      |
| RoHs Status         |  Contains lead / RoHS non-compliant |
| Ship From           | Hong Kong                                                                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                |

Specifications of LM2901N/SL65262

|                                   |                                                                     |
|-----------------------------------|---------------------------------------------------------------------|
| PART NUMBER                       | LM2901N/SL65262                                                     |
| MANUFACTURER                      | N/A                                                                 |
| DESCRIPTION                       | IC COMPARATOR QUAD DIFF 14-DIP                                      |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant                                  |
| DATA SHEET                        |                                                                     |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2 V ~ 32 V, ±1 V ~ 16 V                                             |
| VOLTAGE - INPUT OFFSET (MAX)      | 7mV @ 5V                                                            |
| TYPE                              | General Purpose                                                     |
| SERIES                            | -                                                                   |
| PROPAGATION DELAY (MAX)           | -                                                                   |
| OUTPUT TYPE                       | CMOS, DTL, ECL, MOS, Open-Collector, TTL                            |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                       |
| NUMBER OF ELEMENTS                | 4                                                                   |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant                                  |
| HYSTERESIS                        | -                                                                   |
| DETAILED DESCRIPTION              | Comparator General Purpose CMOS, DTL, ECL, MOS, Open-Collector, TTL |
| CURRENT - QUIESCENT (MAX)         | 2.5mA                                                               |
| CURRENT - OUTPUT (TYP)            | 16mA @ 5V                                                           |
| CURRENT - INPUT BIAS (MAX)        | 0.25µA @ 5V                                                         |
| CMRR, PSRR (TYP)                  | -                                                                   |
| BASE PART NUMBER                  | LM2901                                                              |
