PCA9513D,112

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | PCA9513D,112                                                                                                 |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | IC BUFFER I2C/SMBUS HOTSWAP 8SO                                                                              |
| Datasheets:         |  PCA9513D,112.pdf           |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

| DESCRIPTION                      | IC BUFFER I2C/SMBUS HOTSWAP 8SO                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| DATA SHEET                       |  PCA9513D,112.pdf |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.5 V                                                                                        |
| TYPE                             | Buffer, Accelerator                                                                                  |
| SUPPLIER DEVICE PACKAGE          | 8-SO                                                                                                 |
| SIGNAL CONDITIONING              | -                                                                                                    |
| SERIES                           | -                                                                                                    |
| PACKAGING                        | Tube                                                                                                 |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                        |
| OUTPUT                           | 2-Wire Bus                                                                                           |
| OTHER NAMES                      | 568-1029-5<br>935275234112<br>PCA9513D                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                         |
| NUMBER OF CHANNELS               | 1                                                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| INPUT                            | 2-Wire Bus                                                                                           |
| DETAILED DESCRIPTION             | Buffer, Accelerator 1 Channel 400kHz 8-SO                                                            |
| DELAY TIME                       | -                                                                                                    |
| DATA RATE (MAX)                  | 400kHz                                                                                               |
| CURRENT - SUPPLY                 | 2.8mA                                                                                                |
| CAPACITANCE - INPUT              | 10pF                                                                                                 |
| BASE PART NUMBER                 | PCA9513                                                                                              |
| APPLICATIONS                     | I²C - Hotswap                                                                                        |
