| TYPE                             | Variable Gain Amplifier                                                |
| SUPPLIER DEVICE PACKAGE          | 20-TQFN-EP (5x5)                                                       |
| SERIES                           | -                                                                      |
| PACKAGING                        | Tube                                                                   |
| PACKAGE / CASE                   | 20-WQFN Exposed Pad                                                    |
| MOUNTING TYPE                    | Surface Mount                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                          |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                             |
| DETAILED DESCRIPTION             | Variable Gain Amplifier IC CATV 20-TQFN-EP (5x5)                       |
| BASE PART NUMBER                 | MAX3518                                                                |
| APPLICATIONS                     | CATV                                                                   |
