AT88SC0204C-MPTG

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | AT88SC0204C-MPTG                                                                                             |
| Manufacturer/Brand: | Micrel / Microchip Technology                                                                                |
| Product description | IC EEPROM 2K I2C 5MHZ M2 P                                                                                   |
| Datasheets:         | <a href="#">1.AT88SC0204C-MPTG.pdf</a><br><a href="#">2.AT88SC0204C-MPTG.pdf</a>                             |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

| WRITE CYCLE TIME - WORD, PAGE    | 5ms                                                                              |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.5 V                                                                    |
| TECHNOLOGY                       | EEPROM                                                                           |
| SUPPLIER DEVICE PACKAGE          | M2 - P Module (TWI)                                                              |
| SERIES                           | CryptoMemory®                                                                    |
| PACKAGING                        | Tape & Reel (TR)                                                                 |
| PACKAGE / CASE                   | M2 P, Smart Card Module (TWI)                                                    |
| OTHER NAMES                      | AT88SC0204C-MPTG-ND<br>AT88SC0204C-MPTGTR                                        |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TC)                                                                  |
| MOUNTING TYPE                    | Surface Mount                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                    |
| MEMORY TYPE                      | Non-Volatile                                                                     |
| MEMORY SIZE                      | 2Kb (256 x 8)                                                                    |
| MEMORY INTERFACE                 | I²C                                                                              |
| MEMORY FORMAT                    | EEPROM                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                       |
| DETAILED DESCRIPTION             | EEPROM Memory IC 2Kb (256 x 8) I²C 5MHz 35µs M2 - P Module (TWI)                 |
| CLOCK FREQUENCY                  | 5MHz                                                                             |
| BASE PART NUMBER                 | AT88SC0204                                                                       |
| ACCESS TIME                      | 35µs                                                                             |
