| DATA SHEET                       |  MP6960GS.pdf |
| VOLTAGE - SUPPLY                 | 8 V ~ 24 V                                                                                       |
| VOLTAGE - INPUT                  | -                                                                                                |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                                           |
| SERIES                           | -                                                                                                |
| PACKAGING                        | Tube                                                                                             |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                    |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                                                                       |
| MANUFACTURER STANDARD LEAD TIME  | 18 Weeks                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                       |
| DETAILED DESCRIPTION             | Power Supply Controller Secondary-Side Controller, Synchronous Rectifier 8-SOIC                  |
| CURRENT - SUPPLY                 | 3mA                                                                                              |
| APPLICATIONS                     | Secondary-Side Controller, Synchronous Rectifier                                                 |
