MC10H189FNG

|                     |                                      |
|---------------------|--------------------------------------|
| Part Number:        | MC10H189FNG                          |
| Manufacturer/Brand: | AMI Semiconductor / ON Semiconductor |
| Product description | IC BUFFER INVERT -5.46V 20PLCC       |
| Datasheets:         | MC10H189FNG.pdf                      |
| RoHs Status         | Lead free / RoHS Compliant           |
| Ship From           | Hong Kong                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                |

Specifications of MC10H189FNG

|                                  |                                                                              |
|----------------------------------|------------------------------------------------------------------------------|
| PART NUMBER                      | MC10H189FNG                                                                  |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                         |
| DESCRIPTION                      | IC BUFFER INVERT -5.46V 20PLCC                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                   |
| DATA SHEET                       | MC10H189FNG.pdf                                                              |
| VOLTAGE - SUPPLY                 | -4.94 V ~ -5.46 V                                                            |
| SUPPLIER DEVICE PACKAGE          | 20-PLCC (9x9)                                                                |
| SERIES                           | 10H                                                                          |
| PACKAGING                        | Tube                                                                         |
| PACKAGE / CASE                   | 20-LCC (J-Lead)                                                              |
| OUTPUT TYPE                      | Push-Pull                                                                    |
| OPERATING TEMPERATURE            | 0°C ~ 75°C (TA)                                                              |
| NUMBER OF ELEMENTS               | 1                                                                            |
| NUMBER OF BITS PER ELEMENT       | 6                                                                            |
| MOUNTING TYPE                    | Surface Mount                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                |
| LOGIC TYPE                       | Buffer, Inverting                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                   |
| INPUT TYPE                       | -                                                                            |
| DETAILED DESCRIPTION             | Buffer, Inverting 1 Element 6 Bit per Element Push-Pull Output 20-PLCC (9x9) |
| CURRENT - OUTPUT HIGH, LOW       | -                                                                            |
| BASE PART NUMBER                 | 10H189                                                                       |
