| DESCRIPTION                      | IC REG LIN 5V 500MA POWERSO-24                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                       |
| DATA SHEET                       |  L4995KTR.pdf |
| VOLTAGE DROPOUT (MAX)            | 0.5V @ 400mA                                                                                     |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 5V                                                                                               |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                                |
| VOLTAGE - INPUT (MAX)            | 31V                                                                                              |
| SUPPLIER DEVICE PACKAGE          | PowerSSO-24                                                                                      |
| SERIES                           | Automotive, AEC-Q100                                                                             |
| PROTECTION FEATURES              | Over Temperature, Short Circuit                                                                  |
| PACKAGING                        | Tape & Reel (TR)                                                                                 |
| PACKAGE / CASE                   | PowerSSO-24                                                                                      |
| PSRR                             | 55dB (100Hz)                                                                                     |
| OUTPUT TYPE                      | Fixed                                                                                            |
| OUTPUT CONFIGURATION             | Positive                                                                                         |
| OTHER NAMES                      | 497-11656-2<br>L4995KTR-ND                                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 150°C                                                                                    |
| NUMBER OF REGULATORS             | 1                                                                                                |
| MOUNTING TYPE                    | Surface Mount                                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                    |
| MANUFACTURER STANDARD LEAD TIME  | 30 Weeks                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                       |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 1 Output 5V 500mA PowerSSO-24                         |
| CURRENT - SUPPLY (MAX)           | 2.7mA                                                                                            |
| CURRENT - QUIESCENT (IQ)         | 160µA                                                                                            |
| CURRENT - OUTPUT                 | 500mA                                                                                            |
| CONTROL FEATURES                 | Enable, Reset, Watchdog                                                                          |
| BASE PART NUMBER                 | L4995                                                                                            |
