| VOLTAGE - SUPPLY                 | 3 V ~ 100 V                                                                  |
| VOLTAGE - INPUT                  | 0 V ~ 100 V                                                                  |
| SUPPLIER DEVICE PACKAGE          | 16-MSOP                                                                      |
| SERIES                           | -                                                                            |
| PACKAGING                        | Tube                                                                         |
| PACKAGE / CASE                   | 16-TFSOP (0.118", 3.00mm Width)                                              |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TJ)                                                           |
| MOUNTING TYPE                    | Surface Mount                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                |
| MANUFACTURER STANDARD LEAD TIME  | 8 Weeks                                                                      |
| DETAILED DESCRIPTION             | Power Supply Controller Telecommunications 16-MSOP                           |
| CURRENT - SUPPLY                 | 1.6mA                                                                        |
| BASE PART NUMBER                 | LTC2992                                                                      |
| APPLICATIONS                     | Telecommunications                                                           |
