| DESCRIPTION                      | IC DATA SELECTOR/MUX 16-DIP                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                            |
| DATA SHEET                       |  <a href="#">N74F258AN,602.pdf</a> |
| VOLTAGE SUPPLY SOURCE            | Single Supply                                                                                                         |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                                         |
| TYPE                             | Multiplexer                                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 16-DIP                                                                                                                |
| SERIES                           | 74F                                                                                                                   |
| PACKAGING                        | Tube                                                                                                                  |
| PACKAGE / CASE                   | 16-DIP (0.300", 7.62mm)                                                                                               |
| OTHER NAMES                      | 933821940602<br>N74F258AN<br>N74F258AN-ND                                                                             |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                                            |
| MOUNTING TYPE                    | Through Hole                                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                            |
| INDEPENDENT CIRCUITS             | 1                                                                                                                     |
| DETAILED DESCRIPTION             | Multiplexer 4 x 2:1 16-DIP                                                                                            |
| CURRENT - OUTPUT HIGH, LOW       | 3mA, 24mA                                                                                                             |
| CIRCUIT                          | 4 x 2:1                                                                                                               |
