| DATA SHEET                       |  MAX2112ETI+.pdf |
| VOLTAGE - SUPPLY                 | 3.13 V ~ 3.47 V                                                                                     |
| SUPPLIER DEVICE PACKAGE          | 28-TQFN (5x5)                                                                                       |
| SERIES                           | -                                                                                                   |
| SENSITIVITY                      | -                                                                                                   |
| PACKAGING                        | Tube                                                                                                |
| PACKAGE / CASE                   | 28-WFQFN Exposed Pad                                                                                |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                       |
| MODULATION OR PROTOCOL           | -                                                                                                   |
| MEMORY SIZE                      | -                                                                                                   |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                          |
| FREQUENCY                        | 925MHz ~ 2.175GHz                                                                                   |
| FEATURES                         | -                                                                                                   |
| DETAILED DESCRIPTION             | - RF Receiver 925MHz ~ 2.175GHz PCB, Surface Mount 28-TQFN (5x5)                                    |
| DATA RATE (MAX)                  | -                                                                                                   |
| DATA INTERFACE                   | PCB, Surface Mount                                                                                  |
| CURRENT - RECEIVING              | 100mA                                                                                               |
| APPLICATIONS                     | Digital TV, CATV, Set Top Boxes                                                                     |
| ANTENNA CONNECTOR                | PCB, Surface Mount                                                                                  |
