MT29F4G08ABADAM60A3WC1

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MT29F4G08ABADAM60A3WC1                                                                                       |
| Manufacturer/Brand: | Micron Technology                                                                                            |
| Product description | IC FLASH 4G PARALLEL WAFER                                                                                   |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of MT29F4G08ABADAM60A3WC1

|                                  |                                                |
|----------------------------------|------------------------------------------------|
| PART NUMBER                      | MT29F4G08ABADAM60A3WC1                         |
| MANUFACTURER                     | Micron Technology                              |
| DESCRIPTION                      | IC FLASH 4G PARALLEL WAFER                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                     |
| DATA SHEET                       |                                                |
| WRITE CYCLE TIME - WORD, PAGE    | -                                              |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.6 V                                  |
| TECHNOLOGY                       | FLASH - NAND                                   |
| SERIES                           | -                                              |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                  |
| MEMORY TYPE                      | Non-Volatile                                   |
| MEMORY SIZE                      | 4Gb (512M x 8)                                 |
| MEMORY INTERFACE                 | Parallel                                       |
| MEMORY FORMAT                    | FLASH                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                     |
| DETAILED DESCRIPTION             | FLASH - NAND Memory IC 4Gb (512M x 8) Parallel |
