| DESCRIPTION                       | IC OPAMP GP 12KHZ RRO 14SO                                                                                           |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                           |
| DATA SHEET                        |  <a href="#">LT1674IS#PBF.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2.2 V ~ 36 V, ±1.1 V ~ 18 V                                                                                          |
| VOLTAGE - INPUT OFFSET            | 200µV                                                                                                                |
| SUPPLIER DEVICE PACKAGE           | 14-SO                                                                                                                |
| SLEW RATE                         | 0.005 V/µs                                                                                                           |
| SERIES                            | Over-The-Top®                                                                                                        |
| PACKAGING                         | Tube                                                                                                                 |
| PACKAGE / CASE                    | 14-SOIC (0.154", 3.90mm Width)                                                                                       |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                                         |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                                         |
| NUMBER OF CIRCUITS                | 4                                                                                                                    |
| MOUNTING TYPE                     | Surface Mount                                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                                        |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                                           |
| GAIN BANDWIDTH PRODUCT            | 12kHz                                                                                                                |
| DETAILED DESCRIPTION              | General Purpose Amplifier 4 Circuit Rail-to-Rail 14-SO                                                               |
| CURRENT - SUPPLY                  | 1.9µA                                                                                                                |
| CURRENT - OUTPUT / CHANNEL        | 1.5mA                                                                                                                |
| CURRENT - INPUT BIAS              | 25pA                                                                                                                 |
| BASE PART NUMBER                  | LT1674                                                                                                               |
| AMPLIFIER TYPE                    | General Purpose                                                                                                      |
