|---------------------|----------------------------------------------------------------------------------------------------------------------|
| Part Number:        | MAX241ECAI                                                                                                           |
| Manufacturer/Brand: | Maxim Integrated                                                                                                     |
| Product description | IC TX W/RCVR RS232 5V 28-SSOP                                                                                        |
| Datasheets:         | <a href="#">1.MAX241ECAI.pdf</a><br><a href="#">2.MAX241ECAI.pdf</a>                                                 |
| RoHs Status         |  Contains lead / RoHS non-compliant |
| Ship From           | Hong Kong                                                                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                |

REQUEST FOR QUOTATION

Specifications of MAX241ECAI

|                                  |                                                                      |
|----------------------------------|----------------------------------------------------------------------|
| PART NUMBER                      | MAX241ECAI                                                           |
| MANUFACTURER                     | Maxim Integrated                                                     |
| DESCRIPTION                      | IC TX W/RCVR RS232 5V 28-SSOP                                        |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                   |
| DATA SHEET                       | <a href="#">1.MAX241ECAI.pdf</a><br><a href="#">2.MAX241ECAI.pdf</a> |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                        |
| TYPE                             | Transceiver                                                          |
| SUPPLIER DEVICE PACKAGE          | 28-SSOP                                                              |
| SERIES                           | -                                                                    |
| RECEIVER HYSTERESIS              | 500mV                                                                |
| PROTOCOL                         | RS232                                                                |
| PACKAGING                        | Tube                                                                 |
| PACKAGE / CASE                   | 28-SSOP (0.209", 5.30mm Width)                                       |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                           |
| NUMBER OF DRIVERS/RECEIVERS      | 4/5                                                                  |
| MOUNTING TYPE                    | Surface Mount                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                   |
| DUPLEX                           | Full                                                                 |
| DETAILED DESCRIPTION             | 4/5 Transceiver Full RS232 28-SSOP                                   |
| DATA RATE                        | 120Kbps                                                              |
| BASE PART NUMBER                 | MAX241                                                               |
