| DESCRIPTION                      | IC TXRX RS485/RS422 8-SOIC                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| DATA SHEET                       | <a href="#">1.MAX1487EESA+TG104.pdf</a><br><a href="#">2.MAX1487EESA+TG104.pdf</a> |
| VOLTAGE - SUPPLY                 | 4.75 V ~ 5.25 V                                                                    |
| TYPE                             | Transceiver                                                                        |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                             |
| SERIES                           | -                                                                                  |
| RECEIVER HYSTERESIS              | 70mV                                                                               |
| PROTOCOL                         | RS422, RS485                                                                       |
| PACKAGING                        | Tape & Reel (TR)                                                                   |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                      |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                       |
| NUMBER OF DRIVERS/RECEIVERS      | 1/1                                                                                |
| MOUNTING TYPE                    | Surface Mount                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| DUPLEX                           | Half                                                                               |
| DETAILED DESCRIPTION             | 1/1 Transceiver Half RS422, RS485 8-SOIC                                           |
| DATA RATE                        | 2.5Mbps                                                                            |
