

MAX2390ETI+T

|                     |                             |
|---------------------|-----------------------------|
| Part Number:        | MAX2390ETI+T                |
| Manufacturer/Brand: | Maxim Integrated            |
| Product description | IC RECEIVERS ZERO-IF 28TQFN |
| Datasheets:         | MAX2390ETI+T.pdf            |
| RoHs Status         | Lead free / RoHS Compliant  |
| Ship From           | Hong Kong                   |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS       |

REQUEST FOR QUOTATION

Specifications of MAX2390ETI+T

|                                  |                                                                  |
|----------------------------------|------------------------------------------------------------------|
| PART NUMBER                      | MAX2390ETI+T                                                     |
| MANUFACTURER                     | Maxim Integrated                                                 |
| DESCRIPTION                      | IC RECEIVERS ZERO-IF 28TQFN                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                       |
| DATA SHEET                       | MAX2390ETI+T.pdf                                                 |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.3 V                                                    |
| SUPPLIER DEVICE PACKAGE          | 28-TQFN (5x5)                                                    |
| SERIES                           | -                                                                |
| SENSITIVITY                      | -                                                                |
| PACKAGING                        | Tape & Reel (TR)                                                 |
| PACKAGE / CASE                   | 28-WFQFN Exposed Pad                                             |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                    |
| MODULATION OR PROTOCOL           | -                                                                |
| MEMORY SIZE                      | -                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                       |
| FREQUENCY                        | 1.93GHz ~ 1.99GHz                                                |
| FEATURES                         | -                                                                |
| DETAILED DESCRIPTION             | - RF Receiver 1.93GHz ~ 1.99GHz PCB, Surface Mount 28-TQFN (5x5) |
| DATA RATE (MAX)                  | -                                                                |
| DATA INTERFACE                   | PCB, Surface Mount                                               |
| CURRENT - RECEIVING              | 32mA                                                             |
| APPLICATIONS                     | Cellular, WCDMA                                                  |
| ANTENNA CONNECTOR                | PCB, Surface Mount                                               |
