| MANUFACTURER                     | Avago Technologies (Broadcom Limited)                                                                                 |
| DESCRIPTION                      | OPTOISOLTR 5KV 2CH DARL 8-DIP GW                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                    |
| DATA SHEET                       |  <a href="#">HCPL-2730#320.pdf</a> |
| VOLTAGE - OUTPUT (MAX)           | 7V                                                                                                                    |
| VOLTAGE - ISOLATION              | 5000Vrms                                                                                                              |
| VOLTAGE - FORWARD (VF) (TYP)     | 1.4V                                                                                                                  |
| VCE SATURATION (MAX)             | 100mV                                                                                                                 |
| TURN ON / TURN OFF TIME (TYP)    | 5µs, 10µs                                                                                                             |
| SUPPLIER DEVICE PACKAGE          | 8-DIP Gull Wing                                                                                                       |
| SERIES                           | -                                                                                                                     |
| RISE / FALL TIME (TYP)           | -                                                                                                                     |
| PACKAGING                        | Tube                                                                                                                  |
| PACKAGE / CASE                   | 8-SMD, Gull Wing                                                                                                      |
| OUTPUT TYPE                      | Darlington                                                                                                            |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                                            |
| NUMBER OF CHANNELS               | 2                                                                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                         |
| MANUFACTURER STANDARD LEAD TIME  | 8 Weeks                                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                    |
| INPUT TYPE                       | DC                                                                                                                    |
| DETAILED DESCRIPTION             | Optoisolator Darlington Output 5000Vrms 2 Channel 8-DIP Gull Wing                                                     |
| CURRENT TRANSFER RATIO (MIN)     | 300% @ 1.6mA                                                                                                          |
| CURRENT TRANSFER RATIO (MAX)     | 2600% @ 1.6mA                                                                                                         |
| CURRENT - OUTPUT / CHANNEL       | 60mA                                                                                                                  |
| CURRENT - DC FORWARD (IF) (MAX)  | 12mA                                                                                                                  |
