Specifications of NL17SG07EDFT2G

|                                  |                                                                                                        |
|----------------------------------|--------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | NL17SG07EDFT2G                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                   |
| DESCRIPTION                      | BUFFER WITH OPEN DRAIN OU                                                                              |
| LEAD FREE STATUS / ROHS STATUS   |                                                                                                        |
| DATA SHEET                       |  NL17SG07EDFT2G.pdf |
| VOLTAGE - SUPPLY                 | 0.9 V ~ 3.6 V                                                                                          |
| SUPPLIER DEVICE PACKAGE          | SC-88A (SC-70-5/SOT-353)                                                                               |
| SERIES                           | MiniGate™                                                                                              |
| PACKAGING                        | Tape & Reel (TR)                                                                                       |
| PACKAGE / CASE                   | 5-TSSOP, SC-70-5, SOT-353                                                                              |
| OUTPUT TYPE                      | Open Drain                                                                                             |
| OPERATING TEMPERATURE            | -55°C ~ 125°C (TA)                                                                                     |
| NUMBER OF ELEMENTS               | 1                                                                                                      |
| NUMBER OF BITS PER ELEMENT       | 1                                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                          |
| MANUFACTURER STANDARD LEAD TIME  | 4 Weeks                                                                                                |
| LOGIC TYPE                       | Buffer, Non-Inverting                                                                                  |
| INPUT TYPE                       | -                                                                                                      |
| DETAILED DESCRIPTION             | Buffer, Non-Inverting 1 Element 1 Bit per Element Open Drain Output SC-88A (SC-70-5/SOT-353)           |
| CURRENT - OUTPUT HIGH, LOW       | -, 8mA                                                                                                 |
