

ADI (Analog Devices, Inc.)

AD204JN

Part Number:

ADI (Analog Devices, Inc.)

Product description

IC OPAMP ISOLATION 5KHZ DIP

Datasheets:

 AD204JN.pdf

RoHs Status

 Contains lead / RoHS non-compliant

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

| Specifications of AD204JN         |                                                                                                 |
|-----------------------------------|-------------------------------------------------------------------------------------------------|
| PART NUMBER                       | AD204JN                                                                                         |
| MANUFACTURER                      | ADI (Analog Devices, Inc.)                                                                      |
| DESCRIPTION                       | IC OPAMP ISOLATION 5KHZ DIP                                                                     |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant                                                              |
| DATA SHEET                        |  AD204JN.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | -                                                                                               |
| VOLTAGE - INPUT OFFSET            | 15mV                                                                                            |
| SUPPLIER DEVICE PACKAGE           | 10-PDIP                                                                                         |
| SLEW RATE                         | -                                                                                               |
| SERIES                            | -                                                                                               |
| PACKAGING                         | Tube                                                                                            |
| PACKAGE / CASE                    | 38-DIP (0.600", 15.24mm), 11 Leads                                                              |
| OUTPUT TYPE                       | -                                                                                               |
| OPERATING TEMPERATURE             | 0°C ~ 70°C                                                                                      |
| NUMBER OF CIRCUITS                | 4                                                                                               |
| MOUNTING TYPE                     | Through Hole                                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                   |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant                                                              |
| GAIN BANDWIDTH PRODUCT            | 5kHz                                                                                            |
| DETAILED DESCRIPTION              | Isolation Amplifier 4 Circuit 10-PDIP                                                           |
| CURRENT - SUPPLY                  | -                                                                                               |
| CURRENT - OUTPUT / CHANNEL        | 2mA                                                                                             |
| CURRENT - INPUT BIAS              | 30pA                                                                                            |
| BASE PART NUMBER                  | AD204                                                                                           |
| AMPLIFIER TYPE                    | Isolation                                                                                       |
