| VOLTAGE - SUPPLY                 | 2.97 V ~ 5.5 V                                                                   |
| TYPE                             | Laser Diode Driver for Fiber Optic Module                                        |
| SUPPLIER DEVICE PACKAGE          | 24-TQFN (4x4)                                                                    |
| SERIES                           | -                                                                                |
| PACKAGING                        | Tube                                                                             |
| PACKAGE / CASE                   | 24-WFQFN Exposed Pad                                                             |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                     |
| NUMBER OF CHANNELS               | 1                                                                                |
| MOUNTING TYPE                    | Surface Mount                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                    |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                       |
| DETAILED DESCRIPTION             | Laser Driver IC 270Mbps 1 Channel 2.97 V ~ 5.5 V 24-TQFN (4x4)                   |
| DATA RATE                        | 270Mbps                                                                          |
| CURRENT - SUPPLY                 | 30mA                                                                             |
| CURRENT - MODULATION             | Adjustable                                                                       |
| BASE PART NUMBER                 | MAX3967                                                                          |
