| PART NUMBER                      | FS32K144MFT0VLHR                                                                                         |
| MANUFACTURER                     | NXP Semiconductors / Freescale                                                                           |
| DESCRIPTION                      | S32K144 32-BIT MCU, ARM                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   |                                                                                                          |
| DATA SHEET                       |  FS32K144MFT0VLHR.pdf |
| VOLTAGE - SUPPLY (VCC/VDD)       | 2.7 V ~ 5.5 V                                                                                            |
| SUPPLIER DEVICE PACKAGE          | 64-LQFP (10x10)                                                                                          |
| SPEED                            | 64MHz                                                                                                    |
| SERIES                           | S32K                                                                                                     |
| RAM SIZE                         | 64K x 8                                                                                                  |
| PROGRAM MEMORY TYPE              | FLASH                                                                                                    |
| PROGRAM MEMORY SIZE              | 512KB (512K x 8)                                                                                         |
| PERIPHERALS                      | POR, PWM, WDT                                                                                            |
| PACKAGING                        | Tape & Reel (TR)                                                                                         |
| PACKAGE / CASE                   | 64-LQFP                                                                                                  |
| OTHER NAMES                      | 935361056528                                                                                             |
| OSCILLATOR TYPE                  | Internal                                                                                                 |
| OPERATING TEMPERATURE            | -40°C ~ 105°C (TA)                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                            |
| MANUFACTURER STANDARD LEAD TIME  | 20 Weeks                                                                                                 |
| EEPROM SIZE                      | 4K x 8                                                                                                   |
| DETAILED DESCRIPTION             | ARM® Cortex®-M4F S32K Microcontroller IC 32-Bit 64MHz 512KB (512K x 8) FLASH 64-LQFP (10x10)             |
| DATA CONVERTERS                  | A/D 16x12b, D/A 1x8b                                                                                     |
| CORE SIZE                        | 32-Bit                                                                                                   |
| CORE PROCESSOR                   | ARM® Cortex®-M4F                                                                                         |
| CONNECTIVITY                     | CANbus, FlexIO, I²C, LINbus, SPI, UART/USART                                                             |
