| DATA SHEET                       |  MAX7060ATG/V+T.pdf |
| VOLTAGE - SUPPLY                 | 2.1 V ~ 3.6 V, 4.5 V ~ 5.5 V                                                                           |
| SERIES                           | -                                                                                                      |
| POWER - OUTPUT                   | 14dBm                                                                                                  |
| PACKAGING                        | Tape & Reel (TR)                                                                                       |
| PACKAGE / CASE                   | 24-WFQFN Exposed Pad                                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                          |
| MODULATION OR PROTOCOL           | ASK, FSK                                                                                               |
| MEMORY SIZE                      | -                                                                                                      |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| FREQUENCY                        | 280MHz ~ 450MHz                                                                                        |
| FEATURES                         | -                                                                                                      |
| DETAILED DESCRIPTION             | RF Transmitter ASK, FSK 280MHz ~ 450MHz 14dBm 140kbps PCB, Surface Mount Antenna 24-WFQFN Exposed Pad  |
| DATA RATE (MAX)                  | 140kbps                                                                                                |
| DATA INTERFACE                   | PCB, Surface Mount                                                                                     |
| CURRENT - TRANSMITTING           | 34mA                                                                                                   |
| APPLICATIONS                     | Home/Building Automation, Industrial Control                                                           |
| ANTENNA CONNECTOR                | PCB, Surface Mount                                                                                     |
