| PART NUMBER                      | MAX275BCPP+                                                            |
| MANUFACTURER                     | Maxim Integrated                                                       |
| DESCRIPTION                      | IC FILTER ANALOG 4TH-ORDR 20-DIP                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                             |
| DATA SHEET                       | <a href="#">1.MAX275BCPP+.pdf</a><br><a href="#">2.MAX275BCPP+.pdf</a> |
| VOLTAGE - SUPPLY                 | 4.74 V ~ 11 V, ±2.37 V ~ 5.5 V                                         |
| SUPPLIER DEVICE PACKAGE          | 20-PDIP                                                                |
| SERIES                           | -                                                                      |
| PACKAGING                        | Tube                                                                   |
| PACKAGE / CASE                   | 20-DIP (0.300", 7.62mm)                                                |
| NUMBER OF FILTERS                | 2                                                                      |
| MOUNTING TYPE                    | Through Hole                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                          |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                             |
| FREQUENCY - CUTOFF OR CENTER     | 300kHz                                                                 |
| FILTER TYPE                      | Continuous, Band Pass Low Pass                                         |
| FILTER ORDER                     | 4th                                                                    |
