Specifications of RMPA1765

|                                  |                                                                                                  |
|----------------------------------|--------------------------------------------------------------------------------------------------|
| PART NUMBER                      | RMPA1765                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                             |
| DESCRIPTION                      | IC AMP CDMA 1.72GHZ-1.78GHZ 8LCC                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                       |
| DATA SHEET                       |  RMPA1765.pdf |
| VOLTAGE - SUPPLY                 | 3 V ~ 4.2 V                                                                                      |
| TEST FREQUENCY                   | -                                                                                                |
| SUPPLIER DEVICE PACKAGE          | 8-LCC (3x3)                                                                                      |
| SERIES                           | -                                                                                                |
| RF TYPE                          | CDMA, CDMA2000, AMPS, K-PCS                                                                      |
| PACKAGING                        | Original-Reel®                                                                                   |
| PACKAGE / CASE                   | 8-TDFN Exposed Pad                                                                               |
| P1DB                             | -                                                                                                |
| OTHER NAMES                      | RMPA1765DKR                                                                                      |
| NOISE FIGURE                     | 4dB                                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                       |
| GAIN                             | 26dB                                                                                             |
| FREQUENCY                        | 1.72GHz ~ 1.78GHz                                                                                |
| DETAILED DESCRIPTION             | RF Amplifier IC CDMA, CDMA2000, AMPS, K-PCS 1.72GHz ~ 1.78GHz 8-LCC (3x3)                        |
| CURRENT - SUPPLY                 | 45mA                                                                                             |
