| VOLTAGE - SUPPLY                 | 9 V ~ 72 V                                                                   |
| TYPE                             | Hot Swap Controller                                                          |
| SUPPLIER DEVICE PACKAGE          | 6-TDFN-EP (3x3)                                                              |
| SERIES                           | Simple Swapper™                                                              |
| PROGRAMMABLE FEATURES            | UVLO                                                                         |
| PACKAGING                        | Strip                                                                        |
| PACKAGE / CASE                   | 6-WDFN Exposed Pad                                                           |
| OTHER NAMES                      | MAX5902LAETT+<br>MAX5902LAETT+TTR<br>MAX5902LAETT+TTR-ND                     |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                 |
| NUMBER OF CHANNELS               | 1                                                                            |
| MOUNTING TYPE                    | Surface Mount                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                   |
| INTERNAL SWITCH(S)               | No                                                                           |
| FEATURES                         | Fault Timeout, Latched Fault, Thermal Limit                                  |
| FEATURE PINS                     | DRAIN, (ON, /OFF), /PGOOD                                                    |
| DETAILED DESCRIPTION             | Hot Swap Controller 1 Channel General Purpose 6-TDFN-EP (3x3)                |
| CURRENT - SUPPLY                 | 1mA                                                                          |
| CURRENT - OUTPUT (MAX)           | -                                                                            |
| BASE PART NUMBER                 | MAX5902                                                                      |
| APPLICATIONS                     | General Purpose                                                              |
