| MANUFACTURER                     | Agastat Relays / TE Connectivity                                 |
| DESCRIPTION                      | RELAY GEN PURPOSE SPST 15A 24V                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                       |
| DATA SHEET                       |                                                                  |
| TURN ON VOLTAGE (MAX)            | 18 VDC                                                           |
| TURN OFF VOLTAGE (MIN)           | 1.2 VDC                                                          |
| TERMINATION STYLE                | PC Pin, Quick Connect - 0.187" (4.7mm)                           |
| SWITCHING VOLTAGE                | 250VAC - Max                                                     |
| SERIES                           | PCDF, OEG                                                        |
| RELEASE TIME                     | 8ms                                                              |
| RELAY TYPE                       | General Purpose                                                  |
| PACKAGING                        | Bulk                                                             |
| OTHER NAMES                      | 6-1419126-4                                                      |
| OPERATING TEMPERATURE            | -30°C ~ 70°C                                                     |
| OPERATE TIME                     | 15ms                                                             |
| MOUNTING TYPE                    | Through Hole                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                       |
| FEATURES                         | Insulation - Class F                                             |
| DETAILED DESCRIPTION             | General Purpose Relay SPST-NO (1 Form A) 24VDC Coil Through Hole |
| CONTACT RATING (CURRENT)         | 15A                                                              |
| CONTACT MATERIAL                 | Silver Cadmium Oxide (AgCdO)                                     |
| CONTACT FORM                     | SPST-NO (1 Form A)                                               |
| COIL VOLTAGE                     | 24VDC                                                            |
| COIL TYPE                        | Non Latching                                                     |
| COIL RESISTANCE                  | 2.88 kOhms                                                       |
| COIL POWER                       | 200 mW                                                           |
| COIL CURRENT                     | 8.3mA                                                            |
