| MANUFACTURER                      | Keystone Electronics Corp.                        |
| DESCRIPTION                       | SW TACT SPST-NO 12MA 24V GOLD                     |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                        |
| DATA SHEET                        |                                                   |
| TERMINATION STYLE                 | SMD (SMT) Tab                                     |
| SWITCH TRAVEL                     | -                                                 |
| SWITCH FUNCTION                   | Off-Mom                                           |
| SERIES                            | -                                                 |
| PACKAGING                         | Tape & Reel (TR)                                  |
| OUTLINE                           | 7.00mm x 7.00mm                                   |
| OTHER NAMES                       | 36-9-5134-GPTR                                    |
| OPERATING TEMPERATURE             | -40°C ~ 105°C                                     |
| OPERATING FORCE                   | 280gf                                             |
| MOUNTING TYPE                     | Surface Mount                                     |
| MECHANICAL LIFE                   | -                                                 |
| MANUFACTURER STANDARD LEAD TIME   | 6 Weeks                                           |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                        |
| INGRESS PROTECTION                | -                                                 |
| ILLUMINATION VOLTAGE (NOMINAL)    | -                                                 |
| ILLUMINATION TYPE, COLOR          | -                                                 |
| ILLUMINATION                      | Non-Illuminated                                   |
| FEATURES                          | Flex Membrane                                     |
| DETAILED DESCRIPTION              | Tactile Switch SPST-NO Top Actuated Surface Mount |
| CONTACT RATING @ VOLTAGE          | 0.012A @ 24VDC                                    |
| CIRCUIT                           | SPST-NO                                           |
| ACTUATOR TYPE                     | Snap Dome                                         |
| ACTUATOR ORIENTATION              | Top Actuated                                      |
| ACTUATOR MATERIAL                 | -                                                 |
| ACTUATOR LENGTH, RIGHT ANGLE      | -                                                 |
| ACTUATOR HEIGHT OFF PCB, VERTICAL | 0.50mm                                            |
