| DATA SHEET                       |  TSOP53356.pdf |
| VOLTAGE - SUPPLY                 | 2.5V ~ 5.5V                                                                                       |
| SERIES                           | TSOP533                                                                                           |
| SENSING DISTANCE                 | 45m                                                                                               |
| PACKAGING                        | Bulk                                                                                              |
| ORIENTATION                      | Side View                                                                                         |
| OPERATING TEMPERATURE            | -25°C ~ 85°C (TA)                                                                                 |
| MOUNTING TYPE                    | Through Hole                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                     |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                        |
| DETAILED DESCRIPTION             | Remote Receiver Sensor, 56.0kHz 45m Through Hole                                                  |
| CURRENT - SUPPLY                 | 900μA                                                                                             |
| B.P.F. CENTER FREQUENCY          | 56.0kHz                                                                                           |
