Specifications of ADT7519ARQZ-REEL

|                                  |                                                                                                                                      |
|----------------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | ADT7519ARQZ-REEL                                                                                                                     |
| MANUFACTURER                     | ADI (Analog Devices, Inc.)                                                                                                           |
| DESCRIPTION                      | IC SENSOR TEMP QD ADC/DAC 16QSOP                                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                           |
| DATA SHEET                       |  ADT7519ARQZ-REEL.pdf                             |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.5 V                                                                                                                        |
| TOPOLOGY                         | ADC, Comparator, Multiplexer, Register Bank                                                                                          |
| SUPPLIER DEVICE PACKAGE          | 16-QSOP                                                                                                                              |
| SERIES                           | -                                                                                                                                    |
| SENSOR TYPE                      | Internal and External                                                                                                                |
| SENSING TEMPERATURE              | -40°C ~ 120°C, External Sensor                                                                                                       |
| PACKAGING                        | Tape & Reel (TR)                                                                                                                     |
| PACKAGE / CASE                   | 16-SSOP (0.154", 3.90mm Width)                                                                                                       |
| OUTPUT TYPE                      | I²C, MICROWIRE, QSPI, SPI                                                                                                            |
| OUTPUT FAN                       | No                                                                                                                                   |
| OUTPUT ALARM                     | No                                                                                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 120°C                                                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                           |
| FUNCTION                         | Temp Monitoring System (Sensor)                                                                                                      |
| DETAILED DESCRIPTION             | Temp Monitoring System (Sensor) -40°C ~ 120°C, External Sensor Internal and External Sensor I²C, MICROWIRE, QSPI, SPI Output 16-QSOP |
| BASE PART NUMBER                 | ADT7519                                                                                                                              |
| ACCURACY                         | ±3°C(Max)                                                                                                                            |
