| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.5 V                                                          |
| SUPPLIER DEVICE PACKAGE          | 14-PDIP                                                                |
| STANDARDS                        | -                                                                      |
| SERIES                           | -                                                                      |
| PROTOCOL                         | RS232, RS485                                                           |
| PACKAGING                        | Tube                                                                   |
| PACKAGE / CASE                   | 14-DIP (0.300", 7.62mm)                                                |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                          |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                             |
| INTERFACE                        | SPI, UART                                                              |
| FUNCTION                         | Controller                                                             |
| DETAILED DESCRIPTION             | RS232, RS485 Controller SPI, UART Interface 14-PDIP                    |
| CURRENT - SUPPLY                 | 150µA                                                                  |
