| VOLTAGE - SUPPLY                 | 3 V ~ 5.5 V                                                                      |
| SUPPLIER DEVICE PACKAGE          | 20-TSSOP-EP                                                                      |
| SERIES                           | Automotive, AEC-Q100                                                             |
| PACKAGING                        | Tape & Reel (TR)                                                                 |
| PACKAGE / CASE                   | 20-TSSOP (0.173", 4.40mm Width) Exposed Pad                                      |
| OPERATING TEMPERATURE            | -40°C ~ 105°C                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                    |
| MANUFACTURER STANDARD LEAD TIME  | 6 Weeks                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                       |
| DETAILED DESCRIPTION             | Automotive Systems PMIC 20-TSSOP-EP                                              |
| CURRENT - SUPPLY                 | 1.5mA                                                                            |
| BASE PART NUMBER                 | MAX16928                                                                         |
| APPLICATIONS                     | Automotive Systems                                                               |
