

MB39C602PNF-G-JNEFE1

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MB39C602PNF-G-JNEFE1                                                                                         |
| Manufacturer/Brand: | Cypress Semiconductor                                                                                        |
| Product description | IC LED DRIVER OFFLINE DIM 8SOP                                                                               |
| Datasheets:         | <a href="#">PDF</a> MB39C602PNF-G-JNEFE1.pdf                                                                 |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

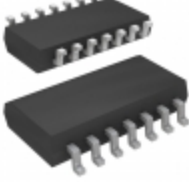

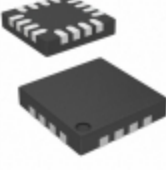

Specifications of MB39C602PNF-G-JNEFE1

|                                  |                                                                         |
|----------------------------------|-------------------------------------------------------------------------|
| PART NUMBER                      | MB39C602PNF-G-JNEFE1                                                    |
| MANUFACTURER                     | Cypress Semiconductor                                                   |
| DESCRIPTION                      | IC LED DRIVER OFFLINE DIM 8SOP                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                              |
| DATA SHEET                       | <a href="#">PDF</a> MB39C602PNF-G-JNEFE1.pdf                            |
| VOLTAGE - SUPPLY (MIN)           | 9V                                                                      |
| VOLTAGE - SUPPLY (MAX)           | 20V                                                                     |
| VOLTAGE - OUTPUT                 | -                                                                       |
| TYPE                             | AC DC Offline Switcher                                                  |
| TOPOLOGY                         | Flyback                                                                 |
| SUPPLIER DEVICE PACKAGE          | 8-SOP                                                                   |
| SERIES                           | -                                                                       |
| PACKAGING                        | Tape & Reel (TR)                                                        |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                           |
| OTHER NAMES                      | 1534-1024-2                                                             |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                       |
| NUMBER OF OUTPUTS                | 1                                                                       |
| MOUNTING TYPE                    | Surface Mount                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                              |
| INTERNAL SWITCH(S)               | Yes                                                                     |
| FREQUENCY                        | 30kHz ~ 120kHz                                                          |
| DIMMING                          | PWM                                                                     |
| DETAILED DESCRIPTION             | LED Driver IC 1 Output AC DC Offline Switcher Flyback PWM Dimming 8-SOP |
| CURRENT - OUTPUT / CHANNEL       | -                                                                       |
| APPLICATIONS                     | Lighting                                                                |
