

BM1P066FJ-E2

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | BM1P066FJ-E2                                                                                                 |
| Manufacturer/Brand: | LAPIS Semiconductor                                                                                          |
| Product description | IC PWM CTRL AD/DC SOP8                                                                                       |
| Datasheets:         | <a href="#">1.BM1P066FJ-E2.pdf</a><br><a href="#">2.BM1P066FJ-E2.pdf</a>                                     |
| RoHs Status         |  Lead free / RoHS Compliant |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of BM1P066FJ-E2

|                                  |                                                                          |
|----------------------------------|--------------------------------------------------------------------------|
| PART NUMBER                      | BM1P066FJ-E2                                                             |
| MANUFACTURER                     | LAPIS Semiconductor                                                      |
| DESCRIPTION                      | IC PWM CTRL AD/DC SOP8                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                               |
| DATA SHEET                       | <a href="#">1.BM1P066FJ-E2.pdf</a><br><a href="#">2.BM1P066FJ-E2.pdf</a> |
| VOLTAGE - SUPPLY (VCC/VDD)       | 8.9 V ~ 26 V                                                             |
| VOLTAGE - START UP               | 13.5V                                                                    |
| VOLTAGE - BREAKDOWN              | -                                                                        |
| TOPOLOGY                         | Flyback                                                                  |
| SUPPLIER DEVICE PACKAGE          | 8-SOP                                                                    |
| SERIES                           | -                                                                        |
| PACKAGING                        | Tape & Reel (TR)                                                         |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                            |
| OUTPUT ISOLATION                 | Either                                                                   |
| OTHER NAMES                      | BM1P066FJ-E2TR                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                        |
| MOUNTING TYPE                    | Surface Mount                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                            |
| MANUFACTURER STANDARD LEAD TIME  | 10 Weeks                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                               |
| INTERNAL SWITCH(S)               | No                                                                       |
| FREQUENCY - SWITCHING            | 65kHz                                                                    |
| FAULT PROTECTION                 | Current Limiting, Over Voltage                                           |
| DUTY CYCLE                       | 75%                                                                      |
| DETAILED DESCRIPTION             | Converter Offline Flyback Topology 65kHz 8-SOP                           |
| CONTROL FEATURES                 | -                                                                        |
