NOIL1SC4000A-GDC  
AMI Semiconductor / ON Semiconductor  
IC IMAGE SENSOR 4MP 127-PGA  
 NOIL1SC4000A-GDC.pdf  
 Lead free / RoHS Compliant  
Hong Kong  
DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

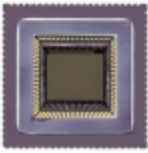

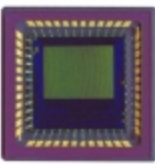

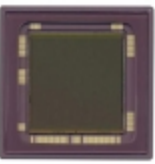

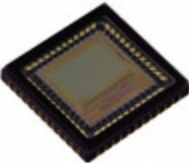

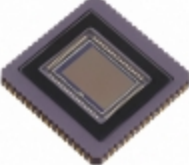

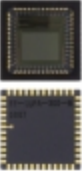

Specifications of NOIL1SC4000A-GDC

|                                  |                                                                                                          |
|----------------------------------|----------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | NOIL1SC4000A-GDC                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                     |
| DESCRIPTION                      | IC IMAGE SENSOR 4MP 127-PGA                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| DATA SHEET                       |  NOIL1SC4000A-GDC.pdf |
| VOLTAGE - SUPPLY                 | 2.5 V, 3.3 V                                                                                             |
| TYPE                             | CMOS                                                                                                     |
| SUPPLIER DEVICE PACKAGE          | 127-PGA (42x42)                                                                                          |
| SERIES                           | -                                                                                                        |
| PIXEL SIZE                       | 12µm x 12µm                                                                                              |
| PACKAGING                        | Tray                                                                                                     |
| PACKAGE / CASE                   | 127-BCPGA                                                                                                |
| OTHER NAMES                      | CYIL1SC4000AA-GDC<br>CYIL1SC4000AA-GDC-ND                                                                |
| OPERATING TEMPERATURE            | 0°C ~ 60°C (TA)                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| FRAMES PER SECOND                | 15                                                                                                       |
| DETAILED DESCRIPTION             | CMOS Image Sensor 2048H x 2048V 12µm x 12µm 127-PGA (42x42)                                              |
| ACTIVE PIXEL ARRAY               | 2048H x 2048V                                                                                            |
